Re: *Dragonwood Conservancy, Inc., et. al., v. Felician, et. al.*
Case No. 16-CV-534
*status – requested phone conference – additional item

Dear Magistrate Joseph:

I filed a letter this past Friday (October 9, 2020), requesting a phone conference in this matter, regarding the Motion To Strike (Defendant's Motion For Summary Judgment), which I am preparing to file this week.

May it please the Court, and at the risk of being presumptuous, I respectfully request another agenda item.

Specifically, Plaintiffs would like to discuss the feasibility of moving-up the start time of the trial -or at least, the jury selection- into the week *before* our scheduled start on December 14, 2020.

I understand that Defendants by counsel object to starting the trial early.

Very Truly Yours,
/s/ Mark P. Murphy
